

ESRI ESTONIAN USER CONFERENCE 2017

May 10-11, 2017. Hotel Euroopa, Paadi 5, Tallinn, Estonia

Dear Partner,

AlphaGIS is delighted to invite you to participate in the Esri Estonian User Conference 2017 in Tallinn which will be held on May 10-11, 2017.

The conference provides to the local GIS community possibility to communicate, discuss and share ideas regarding the GIS in people's daily lives.

We would like to use this opportunity to invite you to become Esri Estonian User Conference 2017 sponsor. Join us and get valuable contacts.

-  **GIS brings together maps, apps, data and people to make smarter decisions and enable innovation in your organization or community.**

-  **A unique possibility to present yourself to targeted audience.**

-  **Over 30 professionals from Estonia and abroad presenting their work and ideas.**

-  **The focus is to provide information about the innovations in GIS technology and share experiences.**

**The conference brings together CIO-s, GIS-professionals, developers, users.
Over 200 people from 80 different organization.**
